1	An additional \$3/player Active.com fee will be added to all registrations for the use of TennisLink.
2	Teams must have the minimum roster requirement registered by this date to be included in the schedule. Teams below the minimum roster will not be scheduled. <b>Note: All team rosters must be comprised of at least 75% of the players playing "in level."</b>
3	Captains and players can view their match schedules beginning on this date. <b>Be advised that the any visible information in TennisLink prior to this date may change. An Adult League Alert! will be sent out when schedules are published.</b>
4	<b>All teams must meet the 75% "in level" roster requirement by this date.</b>
5	The actual length of season is determined by the number of weeks required to complete a single or double round robin depending on the number of teams within each flight. In many instances, flights will finish prior to the date listed as the season end date. The Player Deletion Deadline will fall on the same date as the last scheduled league match of the season for all leagues. No deletions beyond this date will be accepted.
6	All scores must be entered by 11:59pm on the next day. Any outstanding scores beyond this deadline will be input as Double Defaults. Rainouts or otherwise unplayable situations during the last week of matches will not extend this deadline. If an agreement cannot be made between teams to reschedule prior to the score entry deadline, the match will be officially scheduled for 6pm on this date. If one team cannot play at that time, that team will default the match. If both teams cannot play at that time, the match will be input as a double default.
7	<b>New for 2011: USTA Adult and CTA Twilight - All regular season winners and pre-drawn wildcard teams will advance to a single elimination "Flight Playoff." The winning team will advance to Districts.</b>
<b>Important</b>	<b>Team Confirmation for Districts:</b> Captains of teams in the top 3 as of this date need to confirm their team's intent to compete in the Flight Playoffs and District Championships (should they advance). <b>Score Entry Deadlines:</b> Scores not input by the deadline will be input as double defaults. Following the conclusion of the District Championships, those scores can be emailed to Kailey or Taylor and they will be entered.
