LETTER FROM THE PRESIDENT

I hope everyone is surviving the hot, dry summer. League activity is progressing nicely and our membership is at an all-time high, best of recollections.

A great deal of appreciation from the members and the Board needs to go out to Julie Gall for all her efforts in preparing the 2008 NJTC Directory. It should be distributed by e-mail with this Newsletter. THANK YOU, Julie!

We had a great bunch of tennis folks attend the President's Social on 19 July 2008. I thank all of you who attended and made it successful.

We are working on the scheduling for the Club Tournament to occur in September 2008. More on that will be provided later. Additionally, we are working on the scheduling of the autumn, winter and spring socials. Current plans are for the schedule to be very similar to last year.

If your schedule permits, our next board meeting will be Saturday 9 August 2008 at 4:30 p.m. The venue will be the home of Warren Lawson, 6461 Zinnia Street.

Hope to see you soon.

Bob Hix
Club President

A MESSAGE FROM THE LEAGUE COORDINATORS

League play is down to the last leagues of 2008.... North Jeffco has fielded many, many teams this year – which means a lot of people have played leagues. That's a good thing!! We haven't tallied the total number of teams fielded this year, but we suspect it's higher than ever.

Being able to use the courts at Arvada High School, Pomona High School, and Ralston Valley High School has enabled us to field as many teams as we have. A big thank you to team captains and team members who have smoothly handled the key check-out process for these courts, honored the requirement of no alcohol on school property, and represented NJTC well!

Leagues continuing through August and September include Twilight, Seniors, Women's Summer Daytime, ITA Fall Mixed and Men's Tri-Level. The only league with teams still forming is Men's Tri-Level.

Men's Tri-Level is a singles league that plays at 3 p.m. on Saturdays in September and early October. A team consists of at least five men, with at least one man at each of three levels – 3.0, 3.5, and 4.0. If you are interested in getting on a team for this league, please contact Leslie Hauschildt right away!

USTA COLORADO JOB POSTING

USTA Colorado, the governing body of tennis in our state, is seeking a qualified applicant to be our new **Marketing/Diversity Director**.

This newly created position will have a direct role in promoting the sport of tennis and our numerous programs throughout the state, as well as expanding our efforts to provide tennis opportunities in diverse communities.

If you are interested in helping guide the future of recreational tennis throughout Colorado, please see the complete job announcement at www.coloradotennis.com.

The deadline to apply is August 18, 2008

APEX PARK AND REC NEWS

Hard to believe we're gearing up for the fall tennis season - Mixed doubles is just around the corner, and the boy's season has begun. Thank you to all club members that participated in the Summer Smash Tournament. There is still one more tournament to go - the North Jeffco Outdoor for 2.5, 3.5, and 4.5 level players. A first match loser's single consolation will be offered, to encourage more players to take part in tournament tennis. Entry forms can be found inside the ATC, the Racquetball & Fitness Center, or on-line through USTA .com. Volunteers are needed to help work the tournament desk, since most of the regular staff returns to school.

Mark your calendars for Friday, August 15th, 6 – 8:30 pm, as we host a Head Demo Night! We'll be sharing the facility with the Tennis Addicts and adult lessons, but will have a couple of courts available to try out some of Head's newest equipment. If you are interested in running some drills or games for our players, please contact Michele.

The tennis center will be closed for a private function over Labor Day Weekend, August 30 & 31st, with Monday, Sept. 1st, the rain date for the Asia Xpress Tournament. The ATC continues to grow in popularity and private rentals help offset increasing operational and facility maintenance costs.

A second up/down wheelchair league is in the works where an able-bodied player is paired with a player in a wheelchair. The only difference is the "down" player, has 2 bounces to hit the ball. There is a broad spectrum of injuries and mobility represented on the court. Both male and female "up" players will be needed, with skill level between a strong 3.0 to 4.0 level player.

See you on the courts,

Michele

The club has old plaques and trophies from many years ago stored in a file cabinet at ATC. Please stop by and take a look - you may find a plaque or trophy with your name on it.
