LETTER FROM THE PRESIDENT

As I am sure you are all aware, the league schedules are becoming available and your Captain and the league coordinators are working hard to make the arrangements for you to have a pleasant season. I invite you to please join me in extending appreciation to all the Captains and especially to League Coordinators Leslie Hauschildt and Warren Lawson for their extraordinary efforts.

It was good to share the fine weather, good food, and great tennis with the NJTC captains at the Captains Social. Sometime in mid-July 2008 we will have the President's Social and you are all invited to join in another tennis activity intended to provide some camaraderie, food and fun. Watch for future notices to register for the July social.

As we start the 2008 league tennis season, I wish all of you a successful, fun and injury free journey. Best of luck to everyone!

Bob Hix
Club President

A MESSAGE FROM THE LEAGUE COORDINATORS

The Spring Mixed Doubles League is well underway, and Super Seniors and the USTA Adult League will be starting about the time you are reading this. The team registration deadline for Women's Daytime Doubles just passed – play will start on May 27. Coming up quickly is the deadline for WTT team registration – May 16! WTT requires a minimum of four players on a team (2 men and 2 women), and the maximum for a team is ten (5 men and 5 women). This league plays on Friday nights, and is very social. If you're interested, please contact Leslie Hauschildt!

Captains: Remember that any member of your team who is NOT a current member of NJTC cannot play. Our Club Reps (Chris Hix, Mike Everard, and Steve Thompson) are working hard to make sure you know if your team has any unpaid folks, so you will know if there is anyone you need to contact. Dues are only \$40 a year, and are used to pay for the courts reserved for our league matches.

*** **Seniors and Twilight** – NOTE the June 6 team registration deadline!! Less than a month away!! ***

League Schedule

The schedule for the leagues coming up next is:

NORTH JEFFCO PARKS AND REC NEWS

Tennis Center staff is getting use to their new home and will love to give you the “grand” tour. Inside you will find water, energy bars, and balls for sale, and quick pick up needs such as Friend at Court, socks, and other assorted items. Players can be reunited with lost water bottles, racquets, and various articles of clothing! Information is available about activities taking place at the center, and the entire recreation district as well. Tennis club dues and registrations for socials can be dropped off, and you can find the latest issue of Colorado Tennis, and pick up the Big Book of Tennis, which lists all the tournaments state-wide. Thank you in advance for having someone from your team check into the building to confirm court assignments, and for your diligence following key check out procedures for satellite court usage.

Block Party Time! Saturday, May 17th, 9 am – noon

Come celebrate National Tennis Month by volunteering a couple of hours, or an entire morning, as we share our passion for tennis with others. Free lessons are given for youth ages 3 years of age, all the way up to adults, the developmentally disabled, and wheelchair athletes. People are needed to register participants, take late arrivals to their proper courts, teach on court, run games between sessions, work the raffle, barbecue, make lemonade, set up the pop up tent, carry tables, and assist with first aid for bumps, bruises, and sprains that may occur. If you can't help the day of the event, volunteers are needed to deliver fliers to the schools and libraries, extra racquets are needed (label, please), and you may be able to help shop, or come the night before to help set up. Volunteer as an individual, or as a family! Do you have a new item you care to donate for the raffle or prize court? Cash donations also accepted to defray the cost of this community event! Contact Michele if you can help.

Recreational Coaches Workshop, May 31

Do you love tennis and think that you might be interested teaching others, assisting with high school teams, or working with youth at school or church? The Arvada Tennis Center has been selected to host this full day workshop taught by Frank Adams, from Highlands Ranch. Time will be spent with Quick Start Tennis, as well. Register early for a price break. Fliers inside the tennis center.

Q. Yesterday I was playing doubles with my regular partners when a ball flew very close to my face. The women facing me on the opposite side of the net wanted to know if the ball touched me. Would we have lost a point if I got hit with the ball?

Jill S.

KAUFMAN. Yes a player would lose the point if they are hit by the ball. Any ball that hits a player before it bounces is loss of point for that player, no matter where that player is standing, even outside the lines. If a ball hits you should admit it to your opponents.

Richard Kaufman, Director of Officials for the USTA and Chief Umpire for the US Open, answers such questions about these rules. You can email questions to the website (FinalWord@USTA.com) for answers. Consider subscribing to the USTA weekly newsletter as a worthwhile source of information about current tennis, pro to adult to children's topics.
