LETTER FROM THE PRESIDENT

This letter is being written following the first night of play in the Club Championship Tournament. The first evening went very well. I hope to see many of you at the barbeque on Friday evening. Due to the delays, finals results will be in our next newsletter. Congratulations to the winners and all participants. As you may know, the winners will have the opportunity to advance to the inter-club Tournament of Champions. Good luck to all of you participating!

We will be announcing the dates for the winter season socials at Meadow Creek. The first social is 24 October 2009. Enjoy the tennis and socializing. (See page 3 to sign-up.)

The current board would like to hear from persons interested in being more active with the club operations. Since some of the current board members may be leaving their positions, we ask your assistance in filling those vacancies during the elections at the annual meeting. Please consider joining our board. It can be a lot of fun! Contact any board member to express your interest.

Club President

A Message from League Coordinators

If anyone is interested in serving as League Coordinator for North Jeffco Tennis Club next season, feel free to contact Susan Bolton at Sboltondesign@yahoo.com or Jan Hunsaker at jlhunsaker@aol.com. The coordinating position was actually fun and rewarding. I learned about the inner workings of USTA and what it takes to run a successful league. The biggest reward was having the opportunity to know many of the players for our club. Another perk is the club provides each Coordinator with a stipend for their time and effort.

The ideal person for this position pays attention to details, likes working with people and loves the game! If this is you, please contact us, we will be happy to get you started!

APEX PARK AND REC NEWS

Thank you to everyone for supporting the Arvada Tennis Center this league season as well as programs and activities we offer, such as Block Party, tournaments, drills, and the opportunity to be on TV earlier in the spring, with the kids. By supporting activities and giving back to the community, a larger and stronger program will help keep the Arvada Tennis Center a well maintained facility. Indoor tennis is still a part of our master plan, but strong participation numbers, a strong economy, and a leap of faith are what we will need to make this a reality.

As we wind down for the season, please keep in mind our staff is available for privates, semi-privates, and small group lessons year round. Our adult instructors are all USPTA or PTR certified, and our prices are very affordable. Residents of the recreation district receive the best rates and non-residents pay just a bit more. Information is in our activities guide, available inside the tennis center or on-line at www.apexprd.org, or just give me a call. My schedule allows me to be at the tennis center about 60% of the time, so I can arrange to rent the ball machine to you, as well. Just in case you need the number, it's (303) 420-1210.

It's time for me to rest and regroup after a long season. Pretty much a 7 day a week job during the season. See you when I return. Thank you all again for your support, your kind words, your snacks and surprise gifts!
