A Message from League Coordinators

As far as being one half of the North Jeffco Tennis Club coordinators, this has actually been an easy year for me. I don't know whether I am getting better at it or maybe you all are just simply easy to work with as players. Anyway, thanks to you all for your patience. The only thing I felt bad about this year was the lack of being able to place more of your matches at the Tennis Center. Let's hope that there will be a change next year! At least, you all didn't have to play on the beaten up satellite courts, as they are quite nice at this point!

Much thanks to Leslie. She is the one that adds all the nice touches to this job and is a fun person to work with.

Warren Lawson

Wow, Warren - that was really nice of you! (Warren is my favorite co-coordinator :)

Leagues are indeed almost over for 2010, so our jobs are almost done. As Warren noted, we've got a great club full of tennis players who are easy to work with, and captains who do a good job leading their teams. My only regret was not being able to get every single player who wanted to play leagues on a team :(But we certainly did field a heck of a lot of teams out of North Jeffco!! We'll be summarizing the league stats in another newsletter.

Thanks to all for representing NJTC so well.

APEX Park and Rec News

A great big THANK YOU to the all the club members participating in leagues at the Arvada Tennis Center and satellite courts in Arvada for supporting tennis, being a good steward of our facilities, and working to grow the game by helping others interested in learning more about this great sport. Not many cities can boast 41 park courts and 16 school district courts. For a listing of courts and locations, check out the Apex Activities Guide.

Feedback needed: The recreation district has placed a customer survey on page 21 of the fall Activities Guide, which can be accessed by visiting our website at apexprd.org and clicking on the survey at the bottom of the home page. Your input helps us with our delivery of programs and activities to the community. Thank you in advance for taking a few moments, completing and sending in the survey.

Many times programs and activities are scheduled after the brochure is published. If you would like to receive monthly reminders of lessons, drills, tennis center and district events, etc., please send us your email and we'll look at starting monthly reminders in September.

Lost and Found: Is overflowing with clothes, racquets, racquet covers, chairs, coolers, knee braces, and sunglasses galore. Stop into the tennis center and check the basket before items are donated to ARC at the end of August.

Locked Courts? Due to increased misuse of the tennis courts (skateboards, cleats, bicycles, spray paint, dogs, ...) the courts will now be locked Monday through Friday evenings between 8:30-9 pm. Courts will be unlocked, along with the bathrooms between 7-7:15 am. During the weekend, courts will be locked between 6-8 pm. We regret any inconvenience this may cause, but hope you will understand our desire to protect the newly resurfaced courts and maintain a quality facility. Thank you for reporting any vandalism, questions, or concerns about tennis courts to Michele at (303) 420-1210, who is in frequent contact with both the city and the school district.

See you on the courts! *Michele Crouse*
